

Entrepreneurship Report

Masters' Union Undergraduate Dropshipping Challenge

Hands-on! Disruptive! Experiential!

Masters' Union Undergraduate Programme in Tech and Business Management is a 4 year course that enables students to learn business by running businesses. With this philosophy, Dropshipping Challenge is a course where students build and run an e-commerce business, focusing on marketing strategies, customer engagement, adaptability in dynamic market environments, and operational efficiency.

Dropshipping Businesses

Run by Undergraduate Students aged 17-20
